WaveLine — the new cab heater from Calix!

Presenting WaveLine, our new line of quiet and powerful cab heaters. With a maximum noise level of 50 dBA, WaveLine is quieter than its predecessor and has a new, modern design with a touch of Calix red.

WaveLine will be available in 1200W, 1700W, and 2000W. The 1700W and 2000W versions have two ON functions that allow you to change the power.

It can be installed in several ways. Use the quick clip, the mounting hold, or the wire bracket!

Below is a list of the different versions of WaveLine:

1768032	WaveLine 1200W kpl
1768033	WaveLine 1200W Mini contact kpl
1768052	WaveLine 1700W kpl
1768053	WaveLine 1700W Mini contact kpl
1768062	WaveLine 2000W kpl
